**ORDER:**

In the representation 10<sup>th</sup> read above, the President, Mother Theresa Educational and Rural Development Society, Nalgonda has submitted that the Society has applied for permission to establish Deepthi School of Nursing at Nalgonda based on the notification issued by Indian Nursing Council, New Delhi and Mother Theresa School of Nursing at Miryalaguda, Nalgonda District, in response to the notification issued by Justice Radhakrishna Rao Committee in the month of December 2004. He has submitted that the High Power committee inspected their Schools in the month of October, 2005 and submitted report to Government. He has further stated that despite the recommendations, the proposals were kept pending based on the policy decision of INC not to give permission to new Nursing schools in Andhra Pradesh. He has requested the Government to look into the matter and issue orders / Essentiality Certificate to start the above said two Schools of Nursing in the light of the changed policy decision of Indian Nursing Council to encourage new Schools of Nursing in A.P.

2. In the letter 11<sup>th</sup> read above, the above representation together with its enclosures was sent to the Chairman, High Power Committee with a request to offer his remarks and send all relevant back papers on the above two schools of nursing.

3. In the letter 12<sup>th</sup> read above, the Chairman, High Power Committee has reported that the applicant submitted a proposal in response to the notification issued by Indian Nursing Council in December 2004 for establishment of Deepthi School of Nursing on 31-1-2005. Similarly, the applicant has submitted another application for establishment of School of Nursing under the name and style of Mother Theresa School of Nursing at Miryalguda, Nalgonda District in response to the notification issued by Selection Committee for Para Medical Institution. High Power Committee was

PTO.

entrusted with the left over work relating to School of Nursing, Colleges of Nursing etc., and the Chairman, High Power Committee, Hyderabad referred both the proposals relating to Deepthi School of Nursing as well as Mother Theresa School of Nursing for inspection by the District Level Team constituted by the Govt. Deepthi School of Nursing was inspected by District Level Team in September, 2005 and the inspection report relating to Deepthi School of Nursing was received on 21-10-2005 favourably to the institution. Consequently Chairman, High Power Committee, Hyderabad has recommended the proposal regarding Deepthi School of Nursing to the Government on 24-11-2005 recommending permission for establishment of Deepthi School of Nursing. While so and before any further steps could be taken, the Government issued orders in the reference 9<sup>th</sup> read above directing the Chairman, High Power Committee, Hyderabad not to recommend any application for issuance of essentiality certificate in respect of new nursing schools. Based on G.O.9<sup>th</sup> read above, the proposal relating to the Deepthi School of Nursing was rejected and the amount paid towards inspection fee was returned to the society.

4. The Chairman, High Power Committee, Hyderabad has also reported that in so far as Mother Theresa School of Nursing is concerned, initially the proposal was got verified by the Director of Medical Education through two Nursing Officers, a favourable report was received and the same was forwarded to the Government recommending to issue No Objection Certificate. After the constitution of High Power Committee, its Chairman forwarded the proposal to the District Level Team for re-verification and a positive report was received from the District Level Team and hence the proposal was forwarded to the Government recommending No Objection Certificate / Essentiality Certificate. Mean while Government issued G.O 9<sup>th</sup> read above and in the light of the said order the proposal relating to Mother Theresa School of Nursing was also rejected.

5. The Chairman, High Power Committee, Hyderabad further reported that Indian Nursing Council in its meeting held on 17-2-1994 has resolved to upgrade all Schools of Nursing attached to Medical Colleges into College of Nursing in phased manner with an objective to prepare nurses to cope with the advancement in the field of medicine and related sciences. The same issue was again discussed in the Indian Nursing Council meeting held on 22-12-2000 and it was resolved that from the year 2005 Indian Nursing Council would not consider any proposal for opening of new General Nursing and Midwifery Schools. It has further resolved in the meeting held on 28-2-2001 that the Council will work out strategies so that by 2010 all Schools of Nursing should be converted into Colleges of Nursing and in pursuance thereof the states were requested to take immediate steps for upgrading Schools of Nursing into Colleges of Nursing. In the light of the above resolutions of the INC, Govt. of A.P. issued G.O.5<sup>th</sup> read above stating that no essentiality certificates/permissions for establishment of nursing schools be issued from the academic year 2006-2007 onwards. Reiterating the stand taken in G.O.5<sup>th</sup> read above, the Govt. of A.P. have issued G.O.9<sup>th</sup> read above, stating along with other things that the fee collected from the applicants for establishment of Nursing Schools, who applied earlier in response to the notifications issued in 2003 and by Indian Nursing Council in 2004 and also for enhancement of seats to Nursing School be refunded.

[  
6. The Chairman, High Power Committee, has further reported that in the letter 8<sup>th</sup> read above that INC has resolved that upgrading of Schools of Nursing (GNM) to colleges of nursing be kept in abeyance and mentioned

that the Government of Andhra Pradesh may reconsider accepting the proposals to start schools of nursing provided infrastructure was available. Based on this communication dated 31-3-2006, the institution avers that though originally INC had taken a decision to upgrade the existing schools of nursing into colleges of nursing, the said proposal was shelved and as per communication dated 31-3-2006 INC informed the Government of Andhra Pradesh to accept proposals for starting schools of nursing. Therefore, the proposal of the applicant to start the schools of nursing in question be considered favourably.

7. After careful consideration of the matter and keeping in view the earlier recommendation of the High Power Committee and the District Level Committee in the references 6<sup>th</sup> and 7<sup>th</sup> read above for the issue of Essentiality Certificate/No Objection Certificate about the infrastructure and other facilities available, and also keeping in view the proceedings F.No.18-2 (Govt.) 2005 of the Indian Nursing Council, dt.31-3-2006, and in exercise of the powers conferred under rule 38 under section 11 (2) (b) of Andhra Pradesh Nursing and Midwives (Extension and Amendment) Act, 1964 and sub rule (iii) of rule 12 of Andhra Pradesh General Nurse Training Institutions (Admissions into General Nurse Training and Grant of permission to Private Schools of Nursing) Rules, 1997 made under section 99 of Andhra Pradesh Education Act, 1982 Government have decided to consider favourably the request of the Mother Theresa Educational and Rural Development Society and accordingly hereby accord permission to establish Mother Theresa School of Nursing, Miryalguda and Deepthi School of Nursing, Nalgonda, and to start GNM course of 3 years duration with an intake capacity of 40 (forty) each.
